SEC. 4. Applicants for membership must be proposed and seconded by members of the Club. Nominations shall be in writing and shall state the eligibility of the applicant and his residence and address. They shall be signed by the proposer and seconder and delivered to the Secretary of the Club. No Governor of the Club shall make nominations for membership.

SEC. 5. No candidate for membership shall be elected until after his nomination shall have been posted in a conspicuous place in the Club House for at least ten days.

SEC. 6. The Board of Governors shall decide by ballot whether applicants shall be admitted or denied admission to membership. No person shall become a member unless he or she shall receive the affirmative vote of all the Governors present at the meeting at which his or her nomination shall be considered, nor shall any candidate become a member until after he

or she shall have paid his or her entrance fee and semi-annual dues.

SEC. 7. Associate members shall be entitled to enjoy the privileges of the Club House and grounds in the same manner as regular members, subject, however, to such rules as the Board of Governors may adopt as to days of play; but shall not be entitled to vote nor have any interest or ownership in the property of the Club or be eligible to serve on the Board of Governors.

SEC. 8. The Board of Governors may elect honorary members whose relations to the Club shall be the same as those of other members, except that they shall pay no entrance fees or dues.

SEC. 9. Persons not members of the Club, to be known as six-months', monthly and weekly subscribers, may become entitled to the privileges of the Club during the term of their subscription under such rules as the Board of Governors shall from time to time prescribe.

SEC. 1. The control and management of the Club and its affairs and property shall be entrusted to a board of twelve of its regular members, to be known as the Board of Governors. Five members of the Board shall constitute a quorum.

**Article IV
Government**

SEC. 2. The Board of Governors named in the Certificate of Incorporation shall hold office until the next annual meeting, or until their successors shall be elected. At the next annual meeting four Governors shall be elected to serve one year, four to serve two years, and four to serve three years, or until their successors shall be elected; and at each annual meeting thereafter four Governors shall be elected to serve three years, or until their successors shall be elected.

The Governors shall, as soon as may be after each annual meeting, elect from their number a President, Vice-President, Secretary, Treasurer and an Executive Committee, to hold office until their successors be elected; and from the members of the Club a Captain to serve during the pleasure of the Board.

SEC. 3. In case of a vacancy in any office or in the membership of the Board of Governors, occurring otherwise than

by expiration of term of office, the remaining members of the Board shall fill the same.

SEC. 4. The Board of Governors shall have power to make and amend by-laws or rules for the regulation of members in their use of the Club; for the admission to the privileges of the Club of persons not members, and for the transaction of the business of the Club.

It shall have power to fix penalties for the violation of such rules, and to remit all penalties and forfeitures which shall arise under this Constitution or the Rules.

SEC. 5. The Board of Governors shall have power to expel or suspend any member, at any meeting of the Board, by a two-thirds' vote of the members of the Board present, for a violation, on his part, of the provisions of this Constitution or the Rules; or for conduct which, though it may not constitute such a violation, shall in their opinion be improper and prejudicial to the interest of the Club, and their decision shall be final.

SEC. 6. Before any member can be expelled or suspended by the Board of Governors, ten days' notice in writing, that

such action will be considered by the Board of Governors at a time and place mentioned in said notice, together with a written specification of the charge against him, shall be given to him personally.

SEC. 7. The Board of Governors shall present to the Club at each annual meeting a report as to the condition of the Club and of its property; an account of the financial transactions of the past year, and an estimate of receipts and expenditures for the coming year.

This report, account and estimate shall be printed and mailed to each member of the Club, ten days before the meeting.

SEC. 8. The Board of Governors shall have power to create committees to assist in the management of the Club, and to define their powers and duties; and such committees shall always be subject to their control.

In selecting the members of these committees, it shall not be confined to its own membership; but all regular members of the Club shall be eligible.

SEC. 9. The Board of Governors shall have power to remit penalties for offences against the rules and for unintentional violations of the Constitution.

**Article V
Officers**

SEC. 1. The officers of the Club shall be a President, Vice-President, Secretary, Treasurer and Captain.

SEC. 2. The President, or, in his absence, the Vice-President, shall preside at all meetings of the Club and of the Board of Governors. If both President and Vice-President be absent from any meeting, the members present may elect a presiding officer. The President shall be an *ex-officio* member of all Committees.

SEC. 3. The Secretary shall keep the minutes of all meetings. He shall give ten days' notice of all meetings of the Club to all regular members thereof. He shall conduct the correspondence of the Club, and shall report all nominations for membership to the Board of Governors. He shall perform such other duties as may be imposed upon him by the Constitution and Rules and by the Board of Governors.

SEC. 4. The Treasurer shall collect all sums due to the Club from its members. In case any member shall render himself liable to any penalty or forfeiture for failing to pay any amount due the Club (except the penalty of being denied further credit on account of such failure), the Treasurer shall immediately report the

facts to the Board of Governors. He shall receive and keep all funds of the Club and shall only disburse the same as directed by the Board of Governors or on bills properly certified by the Executive or Green Committees.

SEC. 5. The Captain shall have charge of the links during competitions. His decisions as to any questions arising during a club match shall be final. He shall arrange for all matches between the Club and other clubs; and shall select the players to represent the Club in inter-club matches. He shall be a member *ex-officio* of the Green and Handicap Committees.

SEC. 1. The entrance fee shall be \$100.00; and the yearly dues \$40.00, payable semi-annually, on the first days of May and November. Associate members shall be required to pay only half entrance fee and half yearly dues.

Article VI Dues

SEC. 2. Elected candidates for membership shall pay their dues and entrance fee within thirty days after notice of their election.

SEC. 3. Persons may be admitted as subscribers for said periods, under such

limitations and rules, and upon payment of such dues, as the Board of Governors shall prescribe.

Article VII
Penalties

SEC. 1. If any elected candidate for membership shall fail to pay his dues and entrance fee within thirty days after notice of his election, his election shall be void.

SEC. 2. Any member who shall fail to pay an amount exceeding ten dollars due to the Club from him for one month after notice of his indebtedness shall have been mailed to him by the Treasurer, shall be denied further credit by the Treasurer, and upon the facts being established to the satisfaction of the Board of Governors, and noted in the minutes, as so established, shall be suspended from the privileges of the Club.

SEC. 3. The names of all the members who shall fail to pay their semi-annual dues on or before the first days of June and December in any year, shall be then posted in a conspicuous place in the Club House; and if such dues are not paid on the first days of July and January thereafter, such members shall cease to be members of the Club, subject, however,

to the provisions of Section 9 of Article IV of the Constitution.

SEC. 1. The annual meeting of the Club shall be held on the second Wednesday of April in each year at such hour and place as the Board of Governors shall fix. **Article VIII Meetings**

SEC. 2. A special meeting of the Club shall be called by the President whenever he shall be duly requested so to do by ten members. Such request shall be in writing and shall state the business it is proposed to transact at the meeting, and no business shall be transacted there except that germane to the subject mentioned in the notice.

SEC. 3. Fifteen members shall constitute a quorum at any Club meeting.

SEC. 1. This Constitution may be amended by a two-thirds' vote of the members present and voting at a Club meeting, provided that written notice of any proposed amendment shall have been delivered to the Secretary by the person proposing the same at least twenty days prior to the meeting. At such meeting any amendment germane to the subject of the proposed amendment may be adopted. **Article IX Amendments**
